The Court previously approved Plans of Allocation for the Auto Dealer settlements involving other parts. The Plans of Allocation currently before the Court, submitted as Exhibits A to CC to the Declaration of Shawn M. Raiter, are either new plans proposed for approval or are plans that have been updated and are submitted for approval.

2. The Plans of Allocation provide a fair and reasonable method for distributing the settlement funds, provide eligible members of the Settlement Classes with information about how

the calculations will be made, and should be approved by the Court. *In re Cardizem CD Antitrust Litig.*, 218 F.R.D. 508, 531 (E.D. Mich. 2003). “Approval of a plan of allocation of a settlement fund in a class action is governed by the same standards of review applicable to approval of the settlement as a whole; the distribution plan must be fair, reasonable and adequate.” *In re Packaged Ice Antitrust Litig.*, No. 08-MDL-01952, 2011 WL 6209188, at \*15-16 (E.D. Mich. Dec. 13, 2011) (quoting *Meijer, Inc. v. 3M*, No. CIV.A. 04-5871, 2006 WL 2382718 (E.D. Pa. Aug. 14, 2006), at\*17 (E.D. Pa. 2006)); *In re Ikon Office Sols., Inc., Sec. Litig.*, 194 F.R.D. 166, 184 (E.D. Pa. 2000)). “Courts generally consider plans of allocation that reimburse class members based on the type and extent of their injuries to be reasonable.” *Id.* (quoting *In re Aetna Inc.*, No. CIV. A. MDL 1219, 2001 WL 20928, at \*12 (E.D. Pa. Jan. 4, 2001)); *Cardizem*, 218 F.R.D. at 531 (approving a plan as fair and reasonable that adopted a pro rata method for calculating each class member's share of the settlement fund).

3. The Court finds the above-referenced Plans of Allocation to be fair and reasonable and hereby approves their use for the distribution of the settlement funds in those Settlements.

4. The Court understands that the Auto Dealer’ special allocation consultant approved by the Court, Stuart Rosenthal, continues to consider any new information that is potentially relevant to these Plans of Allocation. Any substantive changes to the Plans will be submitted to the Court for approval. For Plans that the Court has approved, including those at issue in this motion, Settlement Class Counsel is not required to obtain additional Court approval for reductions of the settlement funds held in reserve under the terms of a particular Plan.

5. The Court authorizes Settlement Class Counsel for the Auto Dealers to retain Gilardi & Co. to process, administer, adjudicate, and pay claims submitted by members of the Settlement Classes who are eligible to receive money benefits under the Settlements for purchases of parts and new vehicles in the Included States.

6. The Court previously approved the establishment of escrow accounts under the Settlement Agreements as qualified settlement funds (“QSF”) pursuant to Internal Revenue Code Section 468B and the Treasury Regulations promulgated thereunder, and retains continuing jurisdiction as to any issue that may arise in connection with the formation and/or administration of the QSF. Settlement Class Counsel are authorized to expend funds from the QSF for the payment of the costs of notice, payment of taxes, settlement administration costs, and the payment of qualified claims made under the Settlements.

7. Gilardi & Co. shall assist Settlement Class Counsel with the calculation and disbursement of claims paid from the QSFs under the Settlements. Settlement Class Counsel and Gilardi & Co. are authorized, without further order of the Court, to disburse settlement funds to members of the Settlement Classes who are eligible to receive money benefits under the Settlements for purchases of parts and new vehicles in the Included States. Upon a joint request from Settlement Class Counsel and Gilardi & Co., the financial institution overseeing the escrow account QSFs is authorized to make disbursements from those accounts to make payments to eligible members of the Settlement Classes.

8. The Court authorizes Settlement Class Counsel for the Auto Dealers, through Gilardi & Co., to communicate with members of the Settlement Classes about making claims, the claim process, and deadlines. Such communications may include reminders to file claim forms and supporting documents.
