**DECLARATION OF JONATHAN W. CUNEO
CONCERNING TIME AND EXPENSES INCURRED
BY CUNEO GILBERT & LADUCA, LLP**

I, Jonathan W. Cuneo, declare as follows:

1. I am a partner at the law firm of Cuneo Gilbert & LaDuca, LLP and am currently Interim Co-Lead Class Counsel for the Indirect Purchaser Automobile Dealer Plaintiffs (“Dealership Plaintiffs”). I submit this declaration in support of Interim Co-Lead Class Counsel for the Auto Dealers’ motion for an award of attorneys’ fees and expenses in connection with the services rendered, and costs and expenses incurred, in the cases listed above and for which settlements have been presented for final approval. (“the Actions”).

2. I have personal knowledge of the matters set forth herein, and if called upon to testify thereto, could do so competently. I make this declaration pursuant to 28 U.S.C. § 1746.

3. My firm has represented the Indirect Purchaser Automobile Dealer Plaintiffs (“Dealership Plaintiffs”) in the Actions on a contingent basis. During this time, my firm has been involved in various aspects of the following activities and anticipates being involved in future activities necessary to represent the interests of the Dealership Plaintiffs through the conclusion of this multi-district litigation:

- Claim investigation, legal and factual research, and client communications;
- Preparation of pleadings, motions and supporting briefs, and legal research;
- Preparing and responding to written discovery requests, including depositions;
- Gathering and producing documents requested by Defendants;
- Litigation strategy and analysis (meetings, conference calls, misc. strategy);
- Expert analysis and opinions;
- Class certification;
- Trial preparation;
- Preparation for and court appearances;
- Appeals to the Special Master;
- Management and administration;

- Settlement and settlement negotiations; and
- Travel related to the above tasks.

4. Attached to this Declaration as Exhibit 1 is a summary of the time spent by my firm's attorneys and professional staff who have been involved in these Actions, and the lodestar calculation based on my firm's current billing rates, from the inception of the cases through June 30, 2018. The summary was prepared at my request from contemporaneous time records regularly prepared and maintained by my firm. Those records are an accurate reflection of the time spent to advance the interests of the Dealership Plaintiffs and have been supplied to Interim Co-Lead Class Counsel pursuant to the billing and expense practices they established at the outset of this litigation.

5. The lodestar amount listed in Exhibit 1 represents work assigned by Interim Co-Lead Class Counsel, and was performed by attorneys and professional staff at my firm for the benefit of the Dealership Plaintiffs who are settlement class members in the Actions. As required by the Court and Interim Co-Lead Class Counsel, my firm worked hard to be efficient and to avoid duplication of time and effort in this litigation. The lodestar listed in Exhibit 1 includes time spent on cases in this MDL litigation that involve a part for which a settlement has been reached and submitted to the Court for approval.

6. The hourly rates for the attorneys and professional staff in my firm reflected in Exhibit 1 are the usual and customary hourly rates charged by Cuneo Gilbert & LaDuca, LLP in similar complex class action matters and are similar to rates approved for our work by other courts.

7. My firm has expended a total of \$538,975.41 in costs and expenses in connection with the prosecution of the Actions from the inception of the litigation through

June 30, 2018. My firm advanced these costs with no guarantee that the costs would be repaid. My firm undertook this risk to represent and benefit the Dealership Plaintiffs who are settlement class members in the Actions. The costs and expenses set forth in the schedule attached to this declaration as Exhibit 2 are reflected on the books and records of my firm. They were incurred by my firm on behalf of Dealership Plaintiffs in the Actions and have not been reimbursed.

8. My firm also paid assessments to a litigation fund maintained by Interim Co-Lead Class Counsel. Those assessments are not reflected in Exhibit 2 and will be submitted to the Court in a separate declaration.

9. The total number of hours my firm has spent representing Dealership Plaintiffs in the Actions from inception through June 30, 2018 is 53,558.45 hours. The total lodestar for my firm for this period using current hourly billing rates is \$34,018,433.25.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this the 26th day of July, 2018 in Washington, DC.

("the Actions").

2. My firm has represented the Indirect Purchaser Automobile Dealer Plaintiffs ("Dealership Plaintiffs") in the Actions on a contingent basis. - Preparation of pleadings, motions and supporting briefs, and legal research;
- Preparing and responding to written discovery requests, including depositions, in English and in Japanese;

- Travel related to the above tasks.

3. Attached to this Declaration as Exhibit 1 is a summary of the time spent by my firm's attorneys and professional staff who have been involved in these Actions, and the

3. Attached to this Declaration as Exhibit 1 is a summary of the time spent by my firm's attorneys and professional staff who have been involved in these Actions, and the lodestar calculation based on my firm's current billing rates, from the inception of the cases

through June 30, 2018. The summary was prepared at my request from contemporaneous time records regularly prepared and maintained by my firm. Those records are an accurate reflection of the time spent to advance the interests of the Dealership Plaintiffs and have been supplied to Interim Co-Lead Class Counsel pursuant to the billing and expense practices they established at the outset of this litigation.

4. The lodestar amount listed in Exhibit 1 represents work assigned by Interim Co-Lead Class Counsel and was performed by attorneys and professional staff at my firm for the benefit of the Dealership Plaintiffs who are settlement class members in the Actions. As required by the Court and Interim Co-Lead Class Counsel, my firm worked hard to be efficient and to avoid duplication of time and effort in this litigation. The lodestar listed in Exhibit 1 includes time spent on cases in this MDL litigation that involve a part for which a settlement has been reached and submitted to the Court for approval.

5. The hourly rates for the attorneys and professional staff in my firm reflected in Exhibit 1 are the usual and customary hourly rates charged by Lovelace and Associates, P.A. in similar complex class action matters and are similar to rates approved for our work by other courts.

6. My firm has expended a total of \$72,764.35 in costs and expenses in connection with the prosecution of the Actions from the inception of the litigation through June 30, 2018. My firm advanced these costs with no guarantee that the costs would be repaid. My firm undertook this risk to represent and benefit the Dealership Plaintiffs who are settlement class members in the Actions. The costs and expenses set forth in the

schedule attached to this declaration as Exhibit 2 are reflected on the books and records of my firm. They were incurred by my firm on behalf of Dealership Plaintiffs in the Actions.

7. My firm also paid assessments to a litigation fund maintained by Interim Co-Lead Class Counsel. Those assessments are not reflected in Exhibit 2 and will be submitted to the Court in a separate declaration.

8. The total number of hours my firm has spent representing Dealership Plaintiffs in the Actions from inception through June 30, 2018 is 9,279.8 hours. The total lodestar for my firm for this period using current hourly billing rates is \$4,151,947.50.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.
